NOTICE AND ATTESTATION

My name is David J. Robinson and I am Regulatory Affairs Director of Syniverse Technologies, Inc. (Syniverse)

I swear or affirm that I have personal knowledge of the facts stated in the Notice and Attestation, that I am competent to testify to them, and that I have the authority to make this Application on behalf of Syniverse. I swear or affirm that Syniverse Technologies serves no (zero) customers, holds no (zero) customer deposits, operates no (zero) phone numbers and derives no (zero) revenue from intrastate telecommunication services in the State of South Carolina.

In Docket No. 2003-290-C, Syniverse (through its predecessor, TSI Telecommunications Network Services, Inc.) was granted authority to resell private line telecommunications services in the State of South Carolina (Order No. 2004-39, January 30, 2004). Syniverse serves no customers under this authority, and has made the business decision not to be a competitive telecommunications carrier or pursue customers in the local exchange. For these reasons, Syniverse respectfully requests that our authority to resell private line telecommunications services within the State of South Carolina be withdrawn. Syniverse is also providing a copy of this filing to the South Carolina Office of Regulatory Staff.

Further affiant sayeth naught,

Respectfully submitted this 24th day of May, 2010.
